

TANUNDA NETBALL CLUB

Selection Policy

Updated October 2024

Selection Policy

Some of the issues that must be taken into consideration before selecting a team/squad are:

1. Covering the 'What if's' - injury or illness or both
2. Covering each position at least twice if not 3 times
3. How long does the coaches/club have to prepare the team
4. Whether the focus is on individual or team success
5. Whether it is a development squad or a team to win
6. The team is only as good as the last player selected so don't choose anyone that cannot be put on court as they may be needed at a critical stage .

Appointment of selectors

It is important to ensure that the selectors are qualified for the role as they are making important decisions.

Things to consider when appointing selectors:

1. Experience of the person, particularly coaching experience
2. Pre existing knowledge of players
3. Any relationships with player
4. Is there a head selector
5. The number of selectors
6. Availability at all trial dates
7. Inclusion of team coach

1. Purpose

This policy is developed to provide a clear and transparent process for player/team selections.

Tanunda Netball Club can field teams in the following Barossa Light & Gawler Netball Association (BLGNA) grades:

Grades	Age Range	Grade Focus
Go	8 – 10	Participation
Primary	11 and under	Semi-competitive, no finals
Sub Junior	13 and under	Competitive
Junior	15 and under	Competitive
Intermediate	17 and under	Competitive
Senior	N/A	Competitive

From BLGNA rules

The qualification of players for Intermediate, Junior, Sub Junior and Primary Divisions shall be guided by an age limit as at the 31st December. This shall be taken in the year of competition.

Each Club must field teams from the top in all grades in all divisions.

Should a Club, after the ninth (9) round wish to drop a team to a lower grade, they must seek permission using the regrading proforma from the Association. No points or percentages may be transferred from one grade to another.

A player must not drop more than one grade from one season to the next.

The number of teams in each grade will be determined by the number of available players for the applicable grade for each season.

2. Selection process

- 2.1 The Tanunda Netball Club is committed to fairness, transparency and equity.
- 2.2 The Tanunda Netball Club adopts an approach which recognises that teams vary in size, skill and ability, but that all players are entitled to be treated fairly.
- 2.3 All team selections will be made in compliance with all applicable BLGNA rules.
- 2.4 At the commencement of trials, the Committee shall determine player numbers for each team/squad.
- 2.5 In the event that player numbers exceed the number of players required in each team/squad, players may not receive selection in a team at Tanunda Netball Club.
- 2.6 The Tanunda Netball Club will advise players of excess numbers as early as possible so as to provide players with an opportunity to register at another club.
- 2.7 Any allocated coaches of teams will be on the selection panel of their team. Where possible each team selection panel may include, the team coach, and up to 2 neutral selectors. This panel should be available at every trial date.

3. The Selectors

- 3.1 Tanunda Netball Club will endeavour to have a selection panel which will consist of the teams coach, a neutral selector and a club member to select the team for all grades from Primary to Senior 1.
- 3.2 **All** selectors will act in an independent manner that ensures transparency, impartiality and fairness.
- 3.3 The selectors, where possible, are to attend **all** trials for the relevant grade.
- 3.4 The selectors, where possible, will receive information in relation to the players from the previous season, ie. grade played, positions, which will assist the process
- 3.5 Ideally the selectors will have some previous coaching experience
- 3.6 Coaches for teams may now be included in the selection process
- 3.7 Additional selectors, where required, may be appointed by the Committee.
- 3.8 The Committee has the authority to ask a conflicted party to step aside from a particular role where appropriate to do so.

4. Trial process

- 4.1 The trial period will commence when the TNC Committee deem necessary to ensure selection of teams is completed in a timely manner, but to commence no later than the second week in February of each year. (Excludes Go and Primary grades).
- 4.2 The trial period must consist of a minimum of four trial sessions.
- 4.3 Subject to clause 4.4, all players eligible and wishing to play in a competitive grade for the Tanunda Netball Club are required to attend a minimum of four trial sessions and players cannot be considered for the higher graded teams if they do not attend these sessions. If any player is unable to attend a scheduled trial session, they must notify the Club Secretary by email by no later than 12.30pm on the day of the trial session.
- 4.4 A player may apply to the Committee to attend less than the minimum of four trial sessions if they can provide a genuine reason for non-attendance (i.e. work or illness), including the provision of supporting documentation, if requested. Any such application must be made prior to the conclusion of trials for the grade in which the player wishes to be selected.
- 4.5 No player will be placed in a team of their own choosing without approval of the Committee
- 4.6 Late registrations to trials or to join a squad or team will only be approved by the TNC Executive Committee and only if there are team vacancies or positional shortages in a team. Once approval is granted, preference would be for the player to attend a minimum of two training sessions before being placed in a team (subject to BLGNA rules for grading).
- 4.7 Players are expected to abide by the selection decision when teams are announced.

5. Request to Play in a Higher Grade

- 5.1 Players may request consideration for selection in a higher age group or grade by applying in writing to the Committee, prior to the first trial session, detailing the following:
 - 5.1.1 Name (and date of birth for juniors)
 - 5.1.2 The grade played in the previous season
 - 5.1.3 The grade being requested
 - 5.1.4 Detailed explanation for the reason behind the request.
- 5.2 The Committee will consider the request and provide advice to the relevant grade selectors.
- 5.3 A request to play in a higher age group or grade does not guarantee the request will be accepted.

- 5.4 A request to play in a higher grade will not be considered if a position is not available or the move would in any way negatively impact on any other registered player.

6. Movement of Players

- 6.1 Players should be aware that they may be moved on merit, to a team in a higher grade.
- 6.1.1 This may occur because of illness, injury or unavailability and may be a permanent or temporary move.
- 6.2 If a player in a lower grade is seen to be performing better than a player in a higher grade, the coaches may in consultation with the Committee change players.
- 6.3 Where changes to teams are required, players will be notified before or at the commencement of a training session.
- 6.4 When teams/squads are announced, coaches are to ensure players are aware that movement of players may also occur within the first nine (9) weeks of the season if they believe players are better suited to play within another team.
